BOB HOLDEN
GOVERNOR

ROOM 216
STATE CAPITOL
65101

June 6, 2003

To Potential Gubernatorial Appointee:

As Governor, one of the most important jobs that I have to do is to appoint community leaders to the various boards and commissions that run state government. Today I would like to talk to you about one specific commission, the Statewide Independent Council (SILC).

At this time we have several vacancies on SILC and need volunteers from all areas in Missouri. The council is based on the philosophy that people with all types of disabilities should have the same civil rights as those without disabilities. We are running a risk of losing funding to our state if we cannot maintain a full commission.

I understand volunteerism can take time away from your jobs and families, but we feel that SILC's mission is just. Please help me in the recruitment of new members to this important board. Send me your relatives, your neighbors, and friends for this very fulfilling opportunity. You can access the office of Boards and Commissions at <http://go.mo.gov/> or call (573) 751-4767 for information on applying to serve on a board or commission. Please join me in making Missouri a better state.

Sincerely,

Bob Holden
Governor
